

# Sorry Lil' Mama

Lil' Flip

Sorry lil'mama I gotta go  
not tryna hit and run ya, but I got another show  
it's already check out time-plus my plane leaves at fo'  
give me them digits and a later date I'll fuck with you some mo'  
mean while rollin on chrome, every lil'mama I run into wanna take me  
home  
tryna give 'em all a fair share because they all want this bone  
so don't get mad at me if my cell phone is on roam  
I'm just tryna get some dome

YEA Now if you rollin with me come now  
I'm a gangsta I'll never put my gun down  
I can't drive girl cause I'm high  
I see ya belly ring, plus you gotta butterfly  
twenty eights when I roll out  
ten clear coats on my gold drop  
what's yo name, where you from girl  
gotta presidential suite, you can come girl  
I got Cris'by the case load  
what the hell ya baby daddy in my face fo'  
now I'm reachin for my waist so  
we got chicks in every state, WOAHH

HUH the whip paid fo', she starin at my watch  
I'm like what you in my face fo' (uhh)  
she heard of rider gang, she wanna ride a gangsta  
ride with a gangsta, I'm a type of gangsta  
it ain't bout the fame she just diggin my nature  
it ain't bout the change, she said want the paper  
I'm feelin ya style and ya classy ways  
I want my child in ya stomach but not havin my baby  
anyway I'm a one night stand man  
and after this night I'm a dump you like a trash can  
like I set you on fire I can put you out  
I was ya gas can and I can be ya water spout

YEA I gotta Sprint, and a T Mobile, and a Nextel phone  
and all three of 'em ringin, from bad ass bitches that wanna bone  
take one or two calls, take one to the telly, and take one home  
cuttin corners barely missin the curb-tryin not to break her bone  
I'm sittin on choppa eighty-threes, and fresh ass meat  
a nigga tried to jack me for 'em so I opened up his chest last week  
I'm rude as a mothafucker but I get nice when I recieve head  
might fall off for a minute but I get back right when I recieve bread  
talk up on somethin short and thick-go straight to the bed with it  
but on the low low, cause someones always watchin like a fed visit  
crucify the coochie then cut a couple of corners  
cruisin with me in the Bentley soon as I borrow ya...
