Expand my portfolio, invest in some businesses, salaries, I gotta match it

Put my hand on her throat then I choke her
She start squirting, I'm bending her over
They fuck with me way out in Nova Scotia
Run through hoes, know we do 'em locomotive
Up my price now, I'm tellin' all promoters
Roll up pounds now, while you just smoke on roaches
Money, pussy, and potent marijuana
Grab my gun, I can't fuck with anybody

Turn me up and I can't turn down
