Juice, juice  
I just wan' pour up some juice, ay  
Shit, shit  
Double the cup like I'm Screw, uh  
All of my diamonds, they blue, what  
I just wan' pour up some juice, uh  
Juice, juice, juice  
I just wan' pour up some juice, uh  
Shit, shit  
Double the cup like I'm Screw, uh  
All of my diamonds, they blue, whoa  
All of my diamonds, they blue, ay  
Shit, shit  
I just wan' pour up some juice, aye  
Shit, shit  
I just wan' pour up some juice

Woah, woah, woah  
I just ride 'round in the coupe, uh  
Tats on my neck and my face, uh  
Know that I'm keeping a K, wait  
Pick me off, I let it spray, ay  
Pick me off, I let it spray, ay  
Got that shit out of the mud, uh  
Styrofoam cup full of mud, uh

Shit, uh, know that I got it, juice  
Juice, juice, juice  
I just wan' pour up some juice, uh  
Juice, juice, juice  
I just wan' pour up some juice, uh  
Juice, juice, juice  
I just wan' pour up some juice, uh

Diamonds, they clean like a tub, uh  
Know I ride 'round with my gun, uh  
Know I ride 'round with my gun, uh  
And know I'm having the funds, uh  
All of my hundreds they blue, woah  
Money, my pockets like Pooh, shit  
Know that I keep it, a tool, uh  
Aim at her face, fuck a vest, uh  
Gnarcotic the gang, what I bang, bitch  
Keep me a K and just spray shit  
I got a whole lot of guap, uh  
Sippin' dirty like mop, huh  
Lil Gnar got me a mop, stick  
Ain't got no time for no opp shit  
Pull up on your block and just pop shit
