All this guap on me, I'm ballin' hard just like a Laker, uh
Niggas say they ride, is you ridin', or you fakin'?

My trap, you can't come in my spot
Big ice, I'm like "what is up", huh
My yacht, you can't come in my yacht
My trap, you can't come in my spot
Big ice, I'm like "what is up", huh
My God, I'm like oh my God
My God, I'm like oh my God

Niggas say they real, is you real, or you ain't it, uh
