

## 6 Element

ATL, flying to LA  
I was here just the other day  
Don't cuff me up, I can't catch a case  
What's the plan? You could pick the place

I be too blunt when I roll up  
I be with the whole team, got the crew up  
She gon' tell me, "Baby, yeah, you know I need ya"  
But I can't believe ya when I can't see ya-oh

Donuts in the parking lot in the new Vette  
Got a new chick and some new checks  
Got a Rollie on my wrist, get my fist wet  
When you see me in the street, don't be too stressed

We been out all night, baby  
I ain't even wanna talk late  
You was talkin' on my phone crazy  
We can go and hit the beach-wavy

Private chef on a trip, baby  
They don't do it like this, yeah  
Shrimp and grits with the fish, yeah  
This a life you can't live, yeah

Eww, she can pick the place  
I went bossed up by my partner, put diamonds in they face  
I get racks in by the bundles, they get it in moderation  
Skyyemma goin' crazy, Slime went foreign crazy

Throwin' that money on her-now she goin' Brazy  
She from the ATL, but she strippin' all the way in LA  
Pushin' the lotto, she got some friends  
My cousin's on her way, BTA-we gon' get on her

My youngin's azy

You brought that peach from Georgia back home to California  
Come and see me when you land, yeah  
Spend a couple more grand on ya  
'Cause you just need someone, and I need someone

Told on Fendi, Prada on ya  
How you get that? Like that-yeah
