

## Cook Up

Lil Gotit

Zone six nigga, pyrex whipper (Pyrex)  
Hood talk  
Alright

Trunk in the front, this ain't no ordinary engine  
Need all the money, yeah I want all the blue benjis  
Car outside runnin', yeah this speed have no limit  
My racks is strong, my appearance have attention  
These racks gettin' long, fifty on me not no ten shit  
Don't call my phone, I don't got no business with you  
Big house and lawn, got our vibes makin' visuals  
Bust down two-tone, put one them on your head they get you  
This no cappin', catch the static  
Got your hoe she doin' the nasty  
Uzi came we ridin' on benches  
Uzi game might shoot out benches  
If it's slime over here play nasty  
Shooters in your bushes campin'  
All my chains they Michael Jackson  
Your diamonds they look like plastic  
Tryna reach for my shit, take your chances  
Riches leave 'em where he standin'  
Paid all cash, I'm not rentin'  
What's in the stash, I got plenty  
Chanel bag hold the sticky  
And my stick up the blicky  
Half a million, oh I'm leading  
Got they face lookin' shitty  
Crazy bitch get out of my face you vicky  
Wanna put rose gold pures in the [?]  
Bitch boy ain't gon' slide he chicken  
Red and green beans on Glock no Christmas  
Southside Nechie with me yeah he cripin'  
Go and tie your shoes lil' boy you trippin'  
Going all the way up, this beginning  
Build this shit up I ain't talking 'bout bridges  
Talk too much so his face got stitches  
Time to cook up put [?] in the kitchen  
Talk to my dog we ain't fightin' 'bout bitches  
It's not hi-tech [?]  
Yellow diamonds on my wrist I pissed it  
Just come and test who gon' be the richest  
Might pop a perc just to get me a feeling  
Now I get racks but I came from stealin'  
They scared of beefing 'cause that shit forbidden  
Now [?] it gon' shake the building  
He say he tryna take my spot, oh really?  
Can't get no cover on the millions  
Steak and shrimp oh yeah we livin'  
I'm at top floor lookin' over the city  
With two french bitches in the bed kissin'  
Young nigga shit they better get wit' it
