Freak

Lil Gotit

Rok on the track, yeah

Pop out, it's time to pop off
Two-seater, rolling through the hood, top off
Fuck a opp, I ain't scared of nothing
Get up early mornin', get head topped off
Bitch, I'm Clifford, I'm a lil' different
Your baby daddy broke, tell him put my racks off
Left hand ready, right hand 'geuette
Avianne diamonds, drip mismatched
L.A. fly went and got a pack
Fendi headbands, Burkin our sacks
Went and met the plug, send bags to my trap
Put 'em on, call 12, they gon' tell you
I'm a bit timid when it comes to fat ass
I'm a bit timid when it comes to fat ass
When I hit it from the back I'ma lean, whiplash
I'm a bit timid when it comes to fat ass
Head to the spot, gon' get it out the stash
I'm a bit timid when it comes to fat ass
I'ma throw another 'til she get a new Jag
I'm a bit timid when it comes to fat ass
Skinny petite 'til I bought her an ass
I'm a bit timid when it comes to fat ass
F-R-E-A-K, freak, freak, yeah, Lil Gotit a freak, freak
Your ho with me, she a freak
Pop out, it's time to pop off
Two-seater, rolling through the hood, top off
Fuck an opp, I ain't scared of nothing
Get up early mornin', get head topped off
Bitch, I'm Clifford, I'm a lil' different
