

GTF

Lil Gotit

Big zone three, whatever you wanna call it
[?] road Conley baby, nigga
Long live K, long live big Dave, nigga
(Jkari)
Forever spur living, nigga
Yeah, yeah, yeah
(You got it, Decay)

Get the fuck up out my business, I came for the riches
I had to think about it, I'm hood baby, they ain't fucking with me
I'm riding black truck with the tint, yeah, with lil' mama with me
Play that Draco, sound like thunder, know it's coming with me
Yeah, T'd up
Heard that boy got whacked, I had to shush it, know my feet up
I'm from South Atlanta, George Bush it, blow this shit up
Keep fucking 'cause her father gone, this AP with new color stones
Factory set with a honeycomb, chop the dreads and [?]

Yeah, yeah, yeah, yeah, yeah, bitch, I'm turnt up
2017, college show, that boy got burnt up
Maybach story, scooped this ho, she suck me with the curtains up
Concrete business, [?] know I got my muscle up
Two fifty, it was Italian
Two fifty, I was on pneumatics
Seventeen blowing a bag in Lenox
Yeah, the young nigga popping out with it
Yeah, the young nigga getting the attention
Make a grown ho come off with it
Trust none, been one, some fishy
No Micky but he my mini
Fuck out of here, yeah, dickhead
Sex money, yeah, I been that
Biggest team banging big red
Tell big Jay get the blick in
I was hot way before a mention
Been putting it on without assistance
Been making these niggas sick since

Get the fuck up out my business, I came for the riches
I had to think about it, I'm hood baby, they ain't fucking with me
I'm riding black truck with the tint, yeah, with lil' mama with me
Play that Draco, sound like thunder, know it's coming with me
Yeah, T'd up
Heard that boy got whacked, I had to shush it, know my feet up
I'm from South Atlanta, George Bush it, blow this shit up
Keep fucking 'cause her father gone, this AP with new color stones
Factory set with a honeycomb, chop the dreads and [?]

Yeah, slatt, I can tame that pussycat
You niggas can't face the facts
Bitch, y'all out here praising rats
Rock a show and make the racks
Put it up and save the back
I was laying with him [?]
I'm really him, just say that
Say it
Yeah, you fucked off with that money, nigga, break a leg

Think he trained you like a pussy then go throw some leg
We don't dickride, we don't switch sides, this ain't Simon Says
Wet your top and take your clock, that's what lil' slimy said
Rose petal, cold devil
Big bags, wholesaler
Pushing P, whole checker
These niggas be hoe-zilla
These niggas wouldn't hurt a feather, and I'm knowing that
Cuffing on that action, boy, you stupid [?]

Get the fuck up out my business, I came for the riches
I had to think about it, I'm hood baby, they ain't fucking with me
I'm riding black truck with the tint, yeah, with lil' mama with me
Play that Draco, sound like thunder, know it's coming with me
