Hell Yeah

Lil Gotit

(X loaded up, bro
Haha
X on the beat, make it boom)

I'm in a Hellcat, Keed in in a Scatpack
All matte black, we on they tail back
Hell yeah, man
All this drip, got less, man, it ain't hard to tell, man
She like hell yeah, tryna take my essence
She like hell yeah, ain't no more tests
She like hell yeah, teach 'em a lesson
Don't got no time to waste, my time is precious

No time to waste, define my ways
A four in the case, a fish on the Bape
You can dig it, we can split it
He can start it, we can finish
Keed with me, Hood Baby
Santana bustin' juggs lately
Ho dick-ridin', you wood chasin'
I sip that drank, can't keep my balance
And this barrel shoot out cannons
My niggas Michael Jackson dancers
Come on, come on, catch this static
Bome on, bome on, yeah I'm taxin'
I'm relaxin', dripped up jackets
They be cappin', we get active (Hood Baby)

I'm in a Hellcat, Keed in in a Scatpack
All matte black, we on they tail back
Hell yeah, man
All this drip, got less, man, it ain't hard to tell, man
She like hell yeah, tryna take my essence
She like hell yeah, ain't no more tests
She like hell yeah, teach 'em a lesson
Don't got no time to waste, my time is precious (Turn up, Slimeball)

I ain't got no time to waste, y'all niggas in the way
I got shooters, who gon' shoot shit, what 'bout you?
All I gotta do is rap and put the hood on
I got ton of straps, they gon' body you if you move wrong
Yeah, yeah, we in an Audi in traffic
I went from trappin' to rappin'
Pull his card, he ain't hard, he ain't hard
That's a lil' bitty boy, my do boy take that charge
No more hotboxes, every car we ridin' push-start

I'm in a Hellcat, Keed in in a Scatpack
All matte black, we on they tail back
Hell yeah, man
All this drip, got less, man, it ain't hard to tell, man
She like hell yeah, tryna take my essence
She like hell yeah, ain't no more tests
She like hell yeah, teach 'em a lesson
Don't got no time to waste, my time is precious
