

## Night 2 Remember

Lil Gotit

(Gren)  
Yeah, yeah  
Yeah, let's go

I hopped out that bitch like no kizzy  
Riding Bentaygas, big business  
No problems to shop by myself  
'Cause you can get popped up in Lenox  
Pop out from the start to the finish  
Lil Tunechi, I don't need no ceiling  
Percocets a wonderful feeling  
I shoot everybody a frenzy  
I'm dripping, don't know how I'm tripping  
I keep it tucked, I'm with it  
Go on head, bust that blicky  
Cartiers look exquisite  
Being real don't cost a penny  
Lil' mami tryna fuck with my pimping  
Baby, I can touch it, can't lick it  
1942 sipping  
She want a night to remember  
A night to remember

A night to remember  
Walk in this bitch with some hoes on my members  
Ice on my neck and my wrist like December  
Bad bitch with me, she thick but she slender  
Get her own money, I think I should pimp her  
She tryna unfasten my zipper  
Fuck from the back and I'm all in her liver  
Feed her the dick, she eat it like dinner, yeah  
Know I got it, all of the vibes exotic  
All of my diamonds aquatic  
I'm cashing out on the Marni  
She sucking me up in the 'Rari  
She throwing my dick a party  
[?] Stella McCartney  
None of my whips need a car key
