I got P's on my muh'fuckin' plate
With a new wrist, how the fuck can I be late?
Hop in somethin' fast, that bitch up-to-date
That bitch got some ass, it's time to get laid
I shatter the glass when I shoot up the place
Don't cut my grass, I got King Cobra snakes
I threw out my bags to catch me some baes
She know that pussy get as wet as a lake
Represent, represent, I represent, represent

Talkin' 'bout representin', representin'

Turn up your live 'cause I'm makable
Show night vibes, geeked, no edibles

Take ya ho down, yeah, beatin' on uterus
Pullin' up with sticks like a mothafuckin' stewardess
