The cheater, ain't nobody mines

Yeah, you havin' figures, but you ain't no prize
You ain't my rock and I ain't no pies
Don't care 'bout your vision, yeah, you wasting time
I'm from that Jonesboro Road fifty-five
Dick in her back like I love her and I'm lyin'
She go with my buddy, we fuckin', too slime
Livin' so slatty, yeah, yeah, she an eater
Let's say she overseas, I wanna see her
Hit up Vito's and go get her a Visa
Yeah, she a dime, but my ten pointers twinnin'
She lookin' for me like, "Somebody seen him?"
I'm rockin' bands on my own, John Cena
Caught head from her friend and I fucked on Lorena
I ain't no Martin and you ain't no Gina
