

Toe To Toe

Lil Gotit

In the water not no reef
Sold fish and not sardines
Sip my life away with codeine
I'm a stoner it impact my lungs
Far away like I'm on the run
Drip the kid I keep me a gun
These diamonds weigh a ton
Can't entertain no bum
Went and put a 30 on the gun
Sending shots we having fun
These niggas know my heart cold
This hood baby lifestyle no joke
Expensive fabrics on my coat
Snakes in my grass can't mow
Hang all my problems with a rope
We can take this shit toe to toe

Fly in for the bag hit the road
250 brought shoes [?]
4 5 6 on the roll
Then I collect all the gold
Diamond cut chains they choke
Go on and bust down the load
[?] How I'm supposed to do
Now they see me going through the room
Momma said she like my new toes
Momma these veneers in my teeth
Of course these hoes goin choose
Cause I been on my feet
Goin' head let the racks [?]
No lacking keep big guns
YSL for life I'm good
Run through the money cuts on my thumb

Ooh...
It's crazy but it's true
It's crazy but it's true
It's crazy but it's true
It's crazy but it's true

Imma teach em all how to keep that shit on they back
