

Water

Lil Gotit

(The Remedy)
(Dun Deal...)

He say his water is made by G, my water get made by Eliantte
Broke ass bitch, stay out my face, I'm too busy tryna get paid
Highlight in a court case made by J
Cockroach ass nigga, spray the block with RAID
Gucci high socks cover up my fade
Move real right so my line got faith
Way well, we don't take the 12 on chase
Late nights, didn't have nowhere to stay
Under construction, my life getting made
Ain't even gon' lie, I ain't never touch a Wraith
But when I get the milli', I'ma buy me a Wraith
Like a Hood Baby, bitch, I got boogers in the face
It's crazy but it's true, had to use that phrase
If it weren't for that, right where I'd be today

Tell you the truth, I don't know, I had to make a road
Run it up, I gotta have more, I still got more to go
Broke niggas, they do the most, when they don't have no goals
I'm not gon' do no shows unless it's fifty or more
Headed to the top, couldn't make it in the car
Sauced up the Wraith just to head to the stars
These hoes gon' be there so I put 'em on pause
Sippin' on raw while I'm drinkin' this raw
Spent twenty in Neimans 'cause I ain't care about the cost
Showed her all hundreds, told her don't run her mouth
When you a boss you gon' take some losses
Put verniers on her head, yeah, she gotta floss

White boy drip, had to change my jeans
The seam stay T'd, comin' out my spleen
To me, ten Percs is like a pint of lean
'Cause that have me flowin' like a fuckin' genie
These Off-White shoes and pants look dingy
Gettin' too much money for you to act stingy
This ice on my neck, I belong with penguins
Heard his trap house beatin' so my niggas gon' breach
It sound lit right now so pay for that feature
Shit, doin' one ho, I couldn't keep it
My closest partner backed off, I couldn't believe it

All the bullshit, I'ma go and leave it
Got money on my shoes so I'ma Alexander McQueen it
Soft ass niggas, they should've been linguini
The hottest in the street right now, they streamin'
Hellcat comin' up the street, that bitch screamin'
