

## Having Like This

Lil Jon

You're having but ain't having like this  
If you ain't got it, you can't have it like this  
I got bread, got sauce, got guap  
One question: you're having or not?

You had it but ain't having like this  
If you ain't got it, you can't have it like this  
I got bread, got sauce, got guap  
One question: you're having or not?

I wouldn't have the time, if I had it  
I'm on, buzzing like static  
I like my paper chromatic  
Large bills. Please, while you're at it

A miserable nigga will pro'ly hate to see me coming  
True  
Watching me, I suggest you start running  
I'm tryna get after it like post production  
Her nigga don't know I beat ghost production

Don't see you 'round town. You're a ghost or something?  
Always got something to say. You're a host or something?  
Oh, you don't like me 'cause I don't like a post or something  
Hello. I can't talk right now. I'm with Lil Jon, bitch

This ain't the movie where I die in the end  
This where the hero learn to fly in the end  
Rolls Royce, suit and tie in the end  
You fail once, nigga. Try it again

I mean: I ball but I really don't ball  
I'm not a pitcher, but my picture on the wall  
Can't run then walk. You can't walk then crawl

Excuse me, miss. Can I holla for a dollar?  
I'm from the turf. You can tell by the collar  
I just learned: it's a gala not a gala  
If ain't 'bout no pape me no nada

Just keep working. Your day gon' come  
It might take 10, it might take a hundred  
You should listen, when I speak, 'cause I've done it

I'm on, buzzing like static  
I like my paper chromatic
