Lil Jon

I'm at the point where I don't give a fuck
All my money gone
Too turnt at the club
They're playin' my song and it's going up
Well guess what bitch?
I don't give a fuck

Run up and slap a fuckboy
I don't give a fuck
I kick the buddy in the face
I don't give a fuck
When I open up the pit and I'm turnt up
I'm screamin' middle fingers up
I don't give a fuck

Jump like you don't give a fuck

Let's go

Like you don't give a fuck

Like you don't give a fuck

Jump like you don't give a fuck

Jump like you don't give a fuck

Jump like you don't give a fuck

Now let me hear you say
I don't give a fuck, I don't give a fuck
(I don't give a fuck, I don't give a fuck)
Say I don't give a fuck, I don't give a fuck
(I don't give a fuck, I don't give a fuck)
Now let me hear you say
I don't give a fuck, I don't give a fuck
Say I don't give a fuck, I don't give a fuck
Say I don't give a fuck, I don't give a fuck
Say I don't give a fuck

Jump like you don't give a fuck

Jump like you don't give a fuck

I don't give a fuck

Jump like you don't give a fuck

Jump like you don't give a fuck

Jump like you don't give a fuck

Like you don't give a fuck
