

## Bag

Lil Keed

I'm finna get in that bag  
I-I'm finna get in that bag  
These niggas fin' make me spazz  
Cause they tried to put me last  
No I can't condone that  
I was sleepin' with the rags  
I-I was steppin' over trash

I'm finna get in that bag  
I-I'm finna get in that bag  
De-de-dese niggas fin' made me spazz  
Cause they tried to put me last  
No I can't condone that  
I was sleepin' with the rags  
I was steppin' over trash
