Lil Keed

EarlOnTheBeat

Yeah

Oh yeah

No cap in it

Nah dawg, ain't no cap in it

No cap in it

Keed talk to 'em, let's go

I can stuff these racks in these Amiris (Amiris)

I can rock the Rolex watch just plain jane (Just plain jane)

Ain't knowin' who to trust, this shit is scary (This shit is scary)

These niggas stealin' styles, I had to change lanes (Change lanes)

Go and get that money, stretch it a mile long (Mile long)

I'ma leave the drip for you to pass on (To pass on)

I can kill that bitch and I'm passin' her like I'm LeBron (I can kill that bitch)

I can get in the booth and spit fire just like a dragon

Told her I'm a dog, I'm lookin' for Hello Kitty (I'm a dog)

I'm not stuntin' these broads, they frauds, they penny pinchin'

They gon' call the law when we shoot it up, leave it empty

They had woke me up so my dreams turned to reality (Let's go, let's go)

I know you proud of me (Proud of me)

I didn't have my hand out, I went and found me (Found me)

Racks keep comin' in, I'm still counting (Counting)

Young nigga ballin' hard, I need an MVP (MVP)

I know y'all envy me (Envy me)

Tryna be at the tip-top, I'm climbing

Diamonds came from Water by G and they blinding (Water by G)

Y'all thought the ho came from Harley, way she riding

Lil' hundred for the D, no, ain't no cap in it (Talk to 'em)

I'll wear 'em one time, never goin' back to that (to y'all motherfuckers)

Shit, while I'm walkin' on these platinum plaques

I was broke, I was starving, and I ain't going back (Let's go)

I can stuff these racks in these Amiris (Amiris)

I can rock the Rolex watch just plain jane (Just plain jane)

Ain't knowin' who to trust, this shit is scary (This shit is scary)

These niggas stealin' styles, I had to change lanes (Change lanes)

Go and get that money, stretch it a mile long (Mile long)

I'ma leave the drip for you to pass on (To pass on)

I can kill that bitch and I'm passin' her like I'm LeBron (I can kill that bitch)

I can get in the booth and spit fire just like a dragon

Ayy, had to hide the dope inside the mattresss, yeah, yeah (Yeah, yeah)

'Rari spittin' fire, had to bag it, woah, woah (Woah, woah)

I got Chanel on my toes (Mhm)

Real sisters, I'm fuckin' 'em both (Yeah)

I ain't gotta brag or boast

I taught 'em how to bag the dope (Bag it up)

And I got a lot of flavors (Mhm)

Got hoes in a lot of flavors

They scissor like rock and paper

Got the dope money, went legit ('Git)

Bought a Bentayga with the kit (With the kit)

A lot of these niggas see me up

Nigga, I'm a diamond in the rough
Under the hood, in the cut (Yeah, yeah, yeah)
I came out the cage, I'm a dragon
Goin' back to broke, I can't imagine
A Crip nigga with the slimes, know they 'bout to woop, woop, woop
I got some troop, troop, troops that's gon' hop out the coupe, coupe, coupe

I can stuff these racks in these Amiris (Amiris)
I can rock the Rolex watch just plain jane (Just plain jane)
Ain't knowin' who to trust, this shit is scary (This shit is scary)
These niggas stealin' styles, I had to change lanes (Change lanes)
Go and get that money, stretch it a mile long (Mile long)
I'ma leave the drip for you to pass on (To pass on)
I can kill that bitch and I'm passin' her like I'm LeBron (I can kill that b
itch)
I can get in the booth and spit fire just like a dragon
