Really and spillin' these shrimp niggas
He gang gang? Get flipped with you
My best friend behind the wall
T-Shirt died, Rudy died, Pooh died, why they take ol' dog?
And I'm coming for it all
I'ma do it for all y'all
I'ma show you how to ball
For my baby boy I give it all
We pullin' up strippin' down 'til it draw
Know that's a scary sight
I'm in the trenches like every night
I was in the trap, nigga, like every night

Baby, oh, suck it slow
Don't know where I'll go
I want dough, shoes, coat
Draco, ooh, take him off
