

I've been dripping since a young nigga
Been having hoes since a young nigga
Big pole, yeah, the stick just for y'all niggas
I'm taking risks, yeah, for my niggas
Young nigga, young nigga
Every day, I'm thanking God we from the slums, nigga
And we got extra clips for these bum nigga (Bans)
Playing with my slimes, he's a dumb nigga

I ain't fucking with these bum bitches, put it on her tongue, n
igga
I just took a nigga off and told that boy get up with me
You wasn't out here hitting licks, and getting it out the mud w
ith me
You know what I'm on, that nigga tried, I pressed that button,
nigga
Free that blood Bentley, and Santana too
Even though they in that county, they rock bandanas too
Yeah, I'll damage you, I'll psych out like an animal
Yeah, for me to eat that beef alive just like a cannibal
Fuck the crime stoppers tryna stop us from the music
Everything I seen, I'm living through just 'cause I do it
Ever since a young nigga, I knew I would get to it
Praying for my young niggas, just hoping they get through it
Yeah

I've been dripping since a young nigga
Been having hoes since a young nigga
Draco with the tits just for y'all niggas
Getting rich just for my niggas

I've been dripping since a young nigga
Been having hoes since a young nigga
Big pole, yeah, the stick just for y'all niggas
I'm taking risks, yeah, for my niggas
Young nigga, young nigga
Every day, I'm thanking God we from the slums, nigga
And we got extra clips for these bum nigga
Playing with my slimes, he's a dumb nigga

(Yeah
Young nigga, I'm fucking that money up, fuck it up in my sleep
Waking up, probably gon' catch me like 200 G's
I ain't shaking that nigga hand, he can't stand next to me
Been having hoes since a young nigga, best believe)
