

Hollyhood Song

Lil' Kim

Hey there, girls and boys
Hi Miss Little Kim Kim
How are you today?
Fine

Good, very good
Now since this is such a beautiful day today
We're gonna sing our song
You're ready?
Yes

Okay, on the count of three
Move stupid stop pushin' me
One, two, three

It's a beautiful day in the Hollyhood
It's a beautiful day in the Hollyhood
It's a beautiful day in the Hollyhood
So don't you be a hater
