

## Lights Camera Action

Lil' Kim

The lights, the lights

I'm 'bout to turn up the volume on all y'all  
Extra high, I want y'all to hear this  
Turn up the volume on all y'all  
But you didn't hear everything  
But you didn't hear everything, but you didn't hear everything  
If you people real you can have it for the rest of your life  
We make love honey - all of the lights  
If you people real you can have it for the rest of your life  
We make love honey - all of the lights

I'm in the bed, legs spread  
I'm doggystyle, layin on my head  
Turn all the lights up, I want you to see  
All inside, you gon' remember me  
Stick your fingers in, light my cheeba hand  
Now the lights is out, like you in the party and  
Imagine afterparty, come celebrate with me  
We can have an orgy on these ballers and would believe  
Fat skinny short long you just gotta turn me on  
Keep it crackin 'til the dawn, broke is how I send 'em home  
Cop lights, flashlights, spotlights  
Strobe lights, street lights...
