Used to be broke, I had looked like a mop
Before it got deep, Ma had told me stop
No, I can't sink, I be swimming with sharks
[?] like seeing the marks
When I blow out her back she like that dick sharp
Classy all day, but a freak after dark
Thuggin' all day, I had sleep at the park
[?] the they forgetting that part
Nigga was broke, so I had to grind smart
Nigga was broke, so I had to grind smart

Just got the pack in
I got it straight out the back end
Ball out, I just got them racks in
I gotta make this shit double
Just got the pack in
I gotta make sure it happen
Make sure that we bringing the sack in
And pop out just like a new couple
Just got the pack in
I got it straight out the back end
Ball out, I just got them racks in
I gotta make this shit double

Just got the pack in
I gotta make that shit happen
Make sure that we bringing the sack in
And pop out just like a new couple
