

# Right Now

Lil Loaded

I got guns that'll knock down his walls right now  
Bet I'm tryin' to get right in your jaws right now (Right now)  
When shit hit the feds, like chalk bite down  
Big stepper make em' call, get em' gone right now (Right now)

Big stepper make him call, get him gone (Get him gone)  
He been looking too hard, gang what a nigga on  
Don't think shit sweet, cause' a nigga rap song  
I'll show you what I'm bout', can't rap a nigga soul  
I'm straight out the jungle, I'm ready to go  
I'm a real block star, yeah I'm ready to blow  
Had em' racks or some pounds if you ask for a show  
All night on the block, came em' at the store  
My life a whole gamble, the dice gotta roll  
Don't think this shit easy, it's takin' a toll  
I'm the king of the south, it's south side drill (Drill)  
Niggas been gettin' killed, man this shit gettin' real

I got guns that'll knock down his walls right now  
Bet I'm tryin' to get right in your jaws right now (Right now)  
When shit hit the feds, like chalk bite down  
Big stepper make em' call get em' gone right now (Right now)  
I got guns that'll knock down his walls right now  
Bet I'm tryin' to get right in your jaws right now (Right now)  
When shit hit the feds, like chalk bite down  
Big stepper make em' call, get em' gone right now (Right now)

Monkey next on the K, nigga pause right now (Where he at?)  
Go get hit in the face with em' all right now (Pow, pow, pow)  
And lil' bro a catch a case, I make a call right now  
50 shots and baby dracs will make you fall right down (Pow, pow, pow)  
That 30 on my waist, it's in my drawers right now (Right now)  
Right now (Right now)  
Right now  
Face shot, put his brains on the walls like, wow (Like wow)  
I can't fumble the ball nigga, it's a touchdown  
When I touchdown (Aye, touchdown)  
Got a glacier on my neck, this a bust down  
How you dissin' on the set, you can't even get a touch now  
Get yo' money up and sit the fuck down (Sit yo' bitch ass down)  
And house arrest, I can't tote, but I still a get you punched down (Where he at?)  
Beat that nigga ass, and put him in the truck now (Aye)  
Nigga right, you mad

I got guns that'll knock down his walls right now  
Bet I'm tryin' to get right in your jaws right now (Right now)  
When shit hit the feds, like chalk bite down  
Big stepper make em' call get em' gone right now (Right now)  
I got guns that'll knock down his walls right now  
Bet I'm tryin' to get right in your jaws right now (Right now)  
When shit hit the feds, like chalk bite down  
Big stepper make em' call get em' gone right now (Right now)
