Lil Loaded

Lil' bitch  
Lil Loaded done did it again (Lil Loaded done did it again)  
Ayy, Tommy to your brain, we shoot their shit, we shoot their shit  
Ayy, bro gonna ship this shit  
Ayy (It's the fam)

Cargo, I need me a ship  
Ship that shit, ship that shit  
Ayy, plug came through and I flipped it  
Flip that shit, flip that shit  
Ayy, cargo, I need me a ship  
Ship that shit, ship that shit  
Ayy, plug came through and I flipped it  
Flip that shit, flip that shit

Ain't no drive [?], we good on them drugs  
He wanna rob, he get hit with a slug  
Packin', he slackin', I'm packin' the middle for show  
Bringing the smoke to his door  
Just got a bag, I'ma make this shit grow  
Wacked off top, I'ma knock off his 'fro  
I got the bomber like my name Moe  
Using the stove in the oven, first, I'ma break down the onion  
Whip up the whites and it's chuckin', no job, that shit wasn't for me  
Love in the city, my whole hood love me  
Still in the streets, nothin' but a Glock on me  
No bodyguard for me, I'ma walk 'round with the heat  
I got a C, I got a Glock  
And my brother gon' walk around with a mop

Ayy, cargo, I need me a ship  
Ship that shit, ship that shit  
Ayy, plug came through and I flipped it  
Flip that shit, flip that shit  
Ayy, cargo, I need me a ship  
Ship that shit, ship that shit  
Ayy, plug came through and I flipped it  
Flip that shit, flip that shit

He wanna talk, he get outlined in chalk  
I'ma face him when I knock off his top  
Teach him a lesson to send him a message  
He gettin' taxed off top, no blessing  
Message, you get waxed off top, no question  
Ain't no fight, 'cause I'm too little to wrestle  
Stir up the pot, he the [?] like [?]  
Catch everyone just like he Eric Weddle  
[?] needle, they know that I'm good with this metal  
Your bullets miss my [?] and [?]  
I'ma keep spinning until I distress you  
You a pro in the streets, well, I'ma come test you  
He got to die, he got shot in his eye  
[?] off static, that shit had got fried  
Fuck that boy mama, don't care if she cry  
Fuck that bitch, too, 'cause I know that she lie

Ayy, cargo, I need me a ship

Ship that shit, ship that shit  
Ayy, plug came through and I flipped it  
Flip that shit, flip that shit  
Ayy, cargo, I need me a ship  
Ship that shit, ship that shit  
Ayy, plug came through and I flipped it  
Flip that shit, flip that shit

Ayy
