

# GRINCHMAS

Lil Mabu

Gang gang gang

Don't run don't trip pull up with gotti, got 10 full clips  
(Gang gang gang)

Two hoes hop off the whip, got the stick in my pants think she  
fellin' the grip

(Gang gang gang)

I get money we cannot relate, lacing my kicks chase a bag every  
day

I'm a fan, I'm takin' this chain

Then I hop in a buggy (skrrt) switching lanes

(Opps they been watchin' they stay in disguise)

In the new platinum me and the guys

A crip or your homie your 2k's are odds

I'm a grinch and I move like a fly

So I'm gettin' a veeda and gettin' 05

They be flexin' I woke up to 9

In case they try, they're up in a fire

I don't have time for sho' I don't fall in lie

Don't run don't trip pull up with gotti, got 10 full clips
