

LIKE A COP

Lil Mabu

Haha

I'm like a cop

Gang, gang, gang, gang

I'm like a cop the way I tote the knock, keep it by my side (Grrah, grrah)

Like a fly, they be swattin' shit wherever I reside

But it's fine 'cause I know a guy, he piggy, but he slime

Hahaha, you'll never catch me doin' time

Let me tell you 'bout a time where

They cut me off in that undercover Honda, baby, thank God I'm not soft, said, "Start the car"

Shit was feelin' off, just me and Rashad

Look up to God, "Please have mercy on me, I got school tomorrow"

I threw my grip in the fuckin' car like I'm playin' COD

They got some carbines, pullin' up and shit, I dropped my fuckin' jaw

They brought the squad, told me, "Turn around, do what I say"

The pigs squealin' at me loud, ain't tryna go to jail today

He pat me down at the waist while I'm schemin' to get away

Got a grown man feelin' on me, that shit kind of, huh, anyway

They asked for my ID, I said, "I'm seventeen"

That's when is old ass realized he kind of molested me (Pedo)

But I was slick 'cause I had a fake ID inside the whip

But he ain't see

If he peep that, have to say my name's Malik

But he ain't see

Stared him in his eye, I ain't fuckin' speak

I need to get out this situation by any means

So I said, "Officer, you take cash?"

He said, "Facts" (Let's go)

Slipped him ten racks, then I zoomed off south bound

For six rounds, three, shh, they gon' lock you down

The case got dropped, we can talk about it now 'cause

I'm a cop the way I tote the knock, keep it by my side

Like a fly, they be swattin' shit wherever I reside (Grrah, grrah)

But it's fine 'cause I know a guy, he piggy, but he slime

Hahaha, you'll never catch me doin' time

They ain't find the knocks in the V though

You know that I dodged a fuckin' RICO

You know Mabu got the fuckin' cheat code

Like, like, they ain't findin' shit, fuck Nemo
