

Move It

Lil Mabu

Get-Get out my spot, move it
Watch how I count up these blue strips
Yeah, Raf Simons for the shoes
New watch when my mood switch
Yeah, shawty say vente aquí
So I got a baddie on me
I kick 'em, Messi
You an opp, we ain't friendly
Get-Get out my spot, move it
Watch how I count up these blue strips
Yeah, Raf Simons for the shoes
New watch when my mood switch
Yeah, shawty say vente aquí
So I got a baddie on me
I kick 'em, Messi
You an opp, we ain't friendly

Used to laugh to my face
Now these stars up in the wraith
Had to Cartier the shades
She told me to pull up
No
She just wanted the bank
Had to look left side, left side
Right, right side
Then I decided to go
She wanted to be mine, be mine
Realized she was skeezer
She wanted my dough
Ohh
Hold up
I got these bands on me
I got her friend on me
She used to leave me on seen
Yeah
I ran these racks with my dudes
On the phone making some moves
You hit me out of the blue, yeah
You used to clown me at school

Get-Get out my spot, move it
Watch how I count up these blue strips
Yeah, Raf Simons for the shoes
New watch when my mood switch
Yeah, shawty say vente aquí
So I got a baddie on me
I kick 'em, Messi
You an opp, we ain't friendly
Get out my spot, move it
Watch how I count up these blue strips
Yeah, Raf Simons for the shoes
New watch when my mood switch
Yeah, shawty say vente aquí
So I got a baddie on me
I kick 'em, Messi
You an opp, we ain't friendly
