Lil Mabu

Grrah
Grrah

Gang, gang, gang
Ha, grrah
Grrah
Gang, gang, gang

I just need to snap my fingers and they gettin' treeshy
I call your bitch a wide receiver, she get open easy (Baow, baow, baow)
She love fallin' on my staff, I'm gettin' Shakespeazy
Bitch, don't call me just to chat, that's my pet peavy (Bitch)
Stop that shit (Haha)
I could really teach you how to get rich (Get rich)
If your body like an hour glass, I'll make some time sis (Hah, curvy ass)
But if I run, you run, that's it, I need a wicked witch (Oh yeah)

I need a wicked witch on some, wicked shit
I need a wicked witch with some locked lips
I need a choppa to my blade, blade to my switch
Who gon' light the block up when my man's hit (Listen up, like)

I need a wicked witch who gon' get wicked for me
I need a wicked witch who gon' get wicked for me (Wicked for me)
I need a wicked witch who gon' get wicked for me, hah (Gra, bow bow)
Need a wicked witch who gon' get wicked for me (Wicked fa me)

Yea but I don't want a bitch who gon' throw ass when I throw cash (Treesha)
I might test you, drop a couple ones, see if you pass
That shit a bad investment, rather put my money in the trash
'Cause I just need to make a sound
I don't gotta ask

I just need to snap my fingers and they gettin' treeshy
I call your bitch a wide receiver, she get open easy (Bow, bow, bow)
