

# Hustler Girl

Lil Mama

Every time i see her she be countin' that money.  
I can tell by swagg she's a number one stunna girl. Been around the whole world,  
and i ain't never seen no hustler girl (girl).

My numba one hustler girl (girl) (4x)

Little shorty hold me down  
Even when i'm not around  
Rollin' in and outta town  
So i gotta get a crown to  
my number one hustler girl,  
to my number one hustler girl  
And she all about her queen fly,  
when she hit the scene  
I done been around the world.  
And, i ain't never seen her  
My number one hustler girl  
She my number one hustler girl

1st verse:

Uh, yeah, I say, sometimes i get high up to cope with reality.  
I'm a hustler and ain't nobody bad as me, (nah). Metaphorically, heavy strategy.  
Thoughts through my mind  
that be caused cause of agony.  
Listening to Drake telling me to say somethin'.  
Still i says nothin' cause i know  
they can't tackle me (keep running, uh yeah).  
They can't bat with me.  
Home runner. Home slugga, Home actually.  
With myself like Dorothy and the great wizzard.  
Knock out, punch game is exquisite.  
When i'm in the ring, i can't see the pain.  
I just shine like MJ and Billy Jean.  
Bring fire to the canvas, the propane(explosion).  
Burn rings like Ringling (erosion)  
Ya'll hail for the day i rain. Till i make it flood. Young hurricane. Yeah.

Everytime i see her she be countin' that money.  
I can tell by swagg she's a number one stunna girl. Been around the whole world,  
and i ain't never seen no hustler girl (girl)

2nd verse:

It's a new day and age. Rugrats grown up.

Last bagony (??). Ya'll gone shown up  
(see how the story's spin around) go nuts.

When I peel out. Dust. And it's over.

Who ya'll gon' call?. Ghostbusters.

The big or the small. Brooklyn.

Where we ball baby ball.

Out, till it hurt and we fall.

Karate kid, limp it out. Bring your set. Dip it out. Who's stoppin' me. Nobody.

Er'body love Er' Er' body, godmommy.

Pushing 2'45, bulgatty. Featherweight, lean body. Ghost, can't see me. Hustling hard. Make it look easy.

Everytime i see her she be countin' that money.

I can tell by swagg she's a number one stunna girl. Been around the whole world,
