

Look At My Life

Lil Mama

You might take me as just a joke until you look into my..Look i
n my life I'll go to college come on and look into the broken m
irror and I've been broke in pieces and then you realize me, I'
m the voice of the young people, young people theres a voice up
in you you do you know its true theres a voice a voice in me a
nd then here we go
