

## Higher

Lil' Mo

You, you, you keep taking me higher  
Hope I'm not making this too complicated, I can't take it gotta  
change the rules baby.

Started as an arrangement called it friends with benefits, but  
what you see is what you get and we did everything but kiss.  
We thought that this was the best way no drama, no heart play j  
ust pick a day to get away than we lay, free from the problems  
of tying you down, no following me around town.

At first I was like man I can get with it, like it was my first  
time and I thought I could handle it.  
Now I'm like damn I'm so addicted don't know what to do no more  
never been strung out before.

He taking me higher, higher, higher.  
You keep taking me higher, higher, higher  
you keep taking me higher, higher higher.  
You keep taking me higher, higher, higher.

Let me tell you how I feel this addiction is taking over me,  
Don't know it's real keep trying to shake it but it won't let me  
get free tryna make you believe that you without me how could  
this be, something in the way you hold me close I tried to fig  
ht this feeling but I just can't let it go and the truth be tol  
d just keep this thing in remission it's to admit I got a probl  
em and your my addiction.

I don't understand you weren't supposed to be my man that wasn'  
t in my plans, damn.

You know just what to do every time that I saw you and I'd be l  
ying to myself if I said that I wasn't in love with you can't s  
top thinking bout' you baby I scream for you take one for the t
