

# Starstruck

Lil' Mo

This song goes out to that boy  
Who used to laugh at me!  
Pull my hair, snap on my gear  
Yeah shouldn't have wrote this song  
But laugh now baby, laugh now

Oh, oh you used to play me like minimum wage  
Played me out like a high top fade  
You weren't try-na hear nothing I had to say  
And ooh you used to laugh at my little shape  
My DNA was flatter than pancakes  
Now you say I'm off the chain  
And I blow you away

Cause back in the day  
You wasn't try-na see me  
Now you got so much to say  
Could it be the money?  
Could it be the videos?  
Could it be the fly cars?  
Could it be you want me cause baby  
You're just star struck?

Now you be try-na get backstage  
My, my look at how things have changed, hey  
What can I say? What can I say?  
I done grewed up and filled out in every place  
Now you want to be in my face  
You want to get up in my DNA  
Cause you see I'm paid

Cause back in the day  
You wasn't try-na see me  
Now you got so much to say  
Could it be the money?  
Could it be the videos?  
Could it be the fly cars?  
Could it be you want me cause baby  
You're just star struck?

I know that you're Bentley wannabe on my squad  
Cause you see we're rolling deep  
But too bad you can't be down with me  
Sorry, sorry  
If you had a been much more good to me  
When I, I was nothing  
Don't sweat my technique  
Cause you wanna be down with me

I know, I know  
You wanna be down  
For sure, for sure  
I know, I know  
(Yo)  
You wanna be down  
(No, no...)  
For sure, for sure

I'm the bitch like I told ya  
Why you all up in my grill like I know ya?  
And them styles that you kick I did before ya  
All that junk that ya talkin' ya need to slow it up  
I used to be a nobody till I blowed up  
Every show that I do a million shows up  
They say Missy how you've done tore up  
I blow through like a vroom bulldozer  
Soldier, make it hot like a solar  
I break it down, break it down to the floor uh  
Smell musty motherfucker naw show ya  
The funky feeling worth a million and some more  
Gettin' tipsy off of Henney then I throw it up  
I call home BLING BLING got me shining up  
Call Mo BLING BLING then I shine it up  
I keep a fo' for life then nail when it's time to fuck  
Star struck!

Cause back in the day  
You wasn't try-na see me  
Now you got so much to say  
Could it be the money?  
Could it be the videos?  
Could it be the fly cars?  
Could it be you want me cause baby  
You're just star struck?

Cause back in the day  
You wasn't try-na see me  
Now you got so much to say  
Could it be the money?  
Could it be the videos?  
Could it be the fly cars?  
Could it be you want me cause baby  
You're just star struck?

Ow! Yeah, yeah  
Laugh now baby  
Laugh now baby, uh-huh  
Laugh now baby
