

# Tailor Made Suit

Lil' Mo

I guess I gotta come clean, tell you what I know  
Tell you what I know, tell you what I know  
I guess I gotta come clean, tell you what I know  
Yes, I'll kill them with this...

I guess I gotta come clean, tell you what I know  
I'm better off with the team, they rotting so low  
We fit together like jeans and the shirt  
We laying long time that's why I put in the work  
You the best kept secret, and I'm gonna keep it  
Tight in my pocket so a bitch won't see it  
You ain't gotta worry I'll do whatever you want  
Just stay right there and I'll give you what you waiting for

I will never leave, just keep doing what  
You promised to do, and there's only that  
Baby please believe, you're the only one  
Stuck like glue, you're the one I want  
We fit together like a tailor made suit, tailor made suit, tailor made suit  
We fit together like a tailor made suit, tailor made suit, tailor made suit  
We fit together like a tailor made suit, tailor made suit, tailor made suit  
We fit together like a tailor made suit, tailor made suit, tailor made suit

Boy check my resume you know I done the chipping  
And I'm not concerned with them other women  
Them other girls, replaceable, but I'ma give you all the things you want and  
more  
I'm the right thing, I'm the right fit, I'm a good look, priceless  
How you wanna be a boss to the ...  
When I'm the best, look baby I'm the cover  
I'll never leave, if you do this what  
You promise to do, just show me love  
Baby please believe, you're the only one  
Stuck like glue, you're the one I want  
We fit together like a tailor made suit, tailor made suit, tailor made suit  
We fit together like a tailor made suit, tailor made suit, tailor made suit  
We fit together like a tailor made suit, tailor made suit, tailor made suit  
We fit together like a tailor made suit, tailor made suit, tailor made suit

I guess I gotta come clean, tell you what I know  
The way you make me feel I ain't never felt before  
Fit my body like a tuxedo, show me you're the boss  
Tell me where to go  
Cause I wanna go, baby let me know  
Love me long time, love me slow  
Taste my mouth, let it go  
Wanna tell you something that you really should know

We fit together like a tailor made suit, tailor made suit, tailor made suit  
We fit together like a tailor made suit, tailor made suit, tailor made suit  
We fit together like a tailor made suit, tailor made suit, tailor made suit  
We fit together like a tailor made suit, tailor made suit, tailor made suit

Just like a, a, like a tailor made suit  
Just like, just like, just like, like a tailor made suit.  
Uh, yeah, yeah, yeah, yeah
