Enough

Lil Mosey

Ayy, Benjamin, he got Benjamins

Show me what you made of
I know she finna ride, why you hate us?
Thinkin' it's better you not famous?
Nobody speak our language
Rolls-Royce slidin'
love when I see you smilin'
Just know it's gon' be alright, then
Like, whose business they mindin'?
I'm like, I'm like, "What you wanna do?"
Let's set the mood, worried 'bout who
Don't matter who
'cause I rock wit' you
Don't need their love
I just feel your love
I just need your trust
Baby, when you do that, you know it's not enough
Finna bring you back up, I can't get enough
Yeah, I can't get enough

When you pull up on me, I don't think you say enough
When you think about me, do you think 'bout givin' up?
Oh-oh-oh-oh, show you a finer life
Oh-oh-oh-oh, this can't be our last night

When you walk in, I forget about everyone else
And the bond we have, couldn't be with no one else
A little antisocial, feel better by ourselves
Yeah, we fight a little, but really, who could tell?
You remember when we went out to the Cancuns?
I was tryna smooth shit it out like it's Cantu
Said, "Forgive me, baby", like "Why can't you?"
Got emotional for a second, then you came through
Na-na-na-na-na-na-na-na-na
Know you love it when I sing to you
Blah-blah-blah-blah-blah-blah-blah-blah-blah
Made it so far, I know nothing can stop us

When you pull up on me, I don't think you say enough
When you think about me, do you think 'bout givin' up?
Oh-oh-oh-oh, show you a finer life
Oh-oh-oh-oh, this can't be our last night

Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
