

Yeah she make my heart wanna jump, wanna jump  
Don't know why I'm stallin', don't know why I'm stallin'  
Excuse me, miss, I think I fell in love, fell in love  
Catch me when I'm fallin', catch me when I'm fallin'  
Know you see my love so don't run, don't run  
Let me put my all in, let me put my all in  
I can teach you how to have some fun, have some fun  
Without you life is boring, without you life is boring

I don't want nobody else, don't want nobody else uh  
Want you to myself 'cause, baby, yeah I'm selfish  
And I just wanna hold you, hold you, hold you  
When we chillin by ourself uh  
You don't gotta worry, you my only one baby  
Lookin' at the future for us and it look amazing  
You the only thing that's on my mind, I'm going crazy  
I couldn't trade you even if they paid me

There's no I in us, but it's still me and you  
I'd walk a thousand miles, I'd cross the ocean too  
You make my heart skip a beat, and  
You make it hard just to speak

Yeah she make my heart wanna jump, wanna jump  
Don't know why I'm stallin', don't know why I'm stallin'  
Excuse me, miss, I think I fell in love, fell in love  
Catch me when I'm fallin', catch me when I'm fallin'  
Know you see my love so don't run, don't run  
Let me put my all in, let me put my all in  
I can teach you how to have some fun, have some fun  
Without you life is boring, without you life is boring

Sometimes I can't help but bring you closer and closer  
Runnin' through my mind, runnin' over and over  
Rockin' with you feels so much better  
Rockin' with you, that's why I wrote this letter  
Need you in my life or I won't feel right  
You know what we doin' when we linkin' at night  
Pretty lil' thing, yeah she just my type  
Tryna do it right 'cause I hate it when we fight

There's no I in us, but it's still me and you  
I'd walk a thousand miles, I'd cross the ocean too  
You make my heart skip a beat, and  
You make it hard just to speak

Yeah she make my heart wanna jump, wanna jump  
Don't know why I'm stallin', don't know why I'm stallin'  
Excuse me, miss, I think I fell in love, fell in love  
Catch me when I'm fallin', catch me when I'm fallin'  
Know you see my love so don't run, don't run  
Let me put my all in, let me put my all in  
I can teach you how to have some fun, have some fun  
Without you life is boring, without you life is boring
