

# Like That

Lil Mosey

You one of a kind I hope you know that  
I ain't trying to keep it low I don't like that  
Yes I like a young freak hope you bite back  
I'm just trying to keep peace I won't fight back  
Hope you like that I hope you like that, hope you like that I hope yo  
u like that baby

You one of a kind I hope you know that  
I ain't trying to keep it low I don't like that  
Yes I like a young freak I won't bite back  
I'm just trying to keep peace I won't fight back  
Hope you like that I hope you like that, hope you like that I hope yo  
u like that baby

Baby looking fine, I'm just trying to get close to you  
I just want to dine, I don't know if that shit new to you but  
What you doing right now, can I come though are you down right now  
Ask me what it do I said ''you now now'', your ex not cool got to mov  
e now now  
I love the type of shit that we be on you got me drunk, yea you got m  
e thinking how I came up on  
She put you on now I'm on my evil shit, this gon' be your fucking fav  
orite song

You one of a kind I hope you know that  
I ain't trying to keep it low I don't like that  
Yes I like a young freak hope you bite back  
I'm just trying to keep peace I won't fight back  
Hope you like that I hope you like that, hope you like that I hope yo  
u like that baby  
You one of a kind I hope you know that  
I ain't trying to keep it low I don't like that  
Yes I like a young freak I won't bite back  
I'm just trying to keep peace I won't fight back  
Hope you like that I hope you like that, hope you like that I hope yo  
u like that baby

I said I'm in town she said come around  
You know how it sound we got two more rounds  
What do you say are you coming my way, I seen you today I'm not tryin  
g to play, I'm just trying to lay  
I got bitches and you got niggas so  
We should try them both I don't really know  
Can you drop it low I'mma make it snow  
Throwing 20's on you

You one of a kind I hope you know that  
I ain't trying to keep it low I don't like that  
Yes I like a young freak hope you bite back  
I'm just trying to keep peace I won't fight back  
Hope you like that I hope you like that, hope you like that I hope yo  
u like that baby  
You one of a kind I hope you know that

I ain't trying to keep it low I don't like that  
Yes I like a young freak I won't bite back  
I'm just trying to keep peace I won't fight back  
Hope you like that I hope you like that, hope you like that I hope yo  
u like that baby
