I was really runnin' since a baby, was never scared  
I'm the biggest nigga in my city could be the mayor  
And I'm sold on lean, but I'm still gonna say a prayer  
I been getting bread now  
Got a new chain, and bust down  
Ask me how I got here, yeah, I don't know how  
Now a nigga up, yeah, they know now  
All my niggas reckless, yeah  
What are you about?

All my diamonds glistening (Yeah, they glistening)  
Take a brick, then I I'm flippin' (Yeah, I'm flippin)

Yeah, Balmain jeans and I'm rockin' (I'm rockin)  
I got deals but I'm still fucking flockin' (Yeah I'm flockin')
