

This Time

Lil Mosey

These days love is getting harder to find
Everytime I call, you say you ain't got no time
Now you with your friends, fuckin' around, getting high
Tell me what happened to the love that we shared
You say you're here, but not all of you's there
These days you're missing, you can't be repaired

Ooh

Can I just call on you for a minute? (For a minute)
Can you just wait? Let me finish my sentence (My sentence)
We was just playing at first, now I'm in it, uh
Why you gotta play with my heart? Can you quit it? (Mhm)
You always do the most, but you don't tell me nothin' (Tell me nothin')
You ain't gotta lie to me like I'm the only one (Only one)
I ain't gotta lie to you 'cause you're the only one for me (Uh)
So when you coming back? 'Cause I could use the company (Oh, oh)

I be telling everybody that I fuck with you
So they look at me sideways when I say I don't see you no more
Link you no more
Speak to you no more (No more)
Freak wit' you no more (No more)

This time swear I'll do you better (Do you better)
This time swear I'll get you wetter, for sure
This time swear I'll do you better (Do you better)
This time swear I'm not the same as before (As before)
This time I don't wanna waste things, shawty
I wanna be something you call important
If I'm never in the way (Mhm)
I ain't tryna be the one to break this, shawty

But like mhm, mhm, mhm-mhm (Mhm)
They sayin' that I lost you, I already know that (Already know that)
Lookin' at yo IG, I wish I could go back (Mhm)
They sayin' that I fucked up, don't you think I know that? (Don't you think
