

Top Gone

Lil Mosey

Baby, don't you stress, gon' let a nigga flex, lil mama I'ma thumb through it (Thumb through it)
I know he's upset 'cause your ridin' in a 'Vette and the top all gone (Skrrt-skrrt)
I run to him, like next, don't care who vexed, shawty, I'm havin' fun wit' it (Havin' fun)
I let the hunnids go fast, Shakira hips, they don't lie

Shawty so bad, yeah, she so fine
I ain't hit one time, had to hit three times
Put her on her first jet, now she say she worldwide
Walkin' through this money, yeah, it's stackin' knee high
She so bad
Everybody look when we pass
Took her from you, you sad (You sad)
Put her in her first Maybach (Skirt)
And it's two-door
You ain't seen this shit before, yeah, it's fine
You gon' get used to this life in no time
See what you doin'
I love how you movin'
So I said

Baby, let me feel your body
Flexing like Tom Brady
When I hit you doggy
I've been thinkin' lately
That when you're around me
You twerk it like magic
In my Amiris 200 (Huh, yeah)

Baby, don't you stress, gon' let a nigga flex, lil mama I'ma thumb through it (Thumb through it)
I know he's upset 'cause your ridin' in a 'Vette and the top all gone (Skrrt-skrrt)
I run to him, like next, don't care who vexed, shawty, I'm havin' fun wit' it (Havin' fun)
I let the hunnids go fast, Shakira hips, they don't lie

¿Dime por qué ere' así?
Difícil pero mata la liga fácil (Yeah, yeah, yeah)
La ultima vez que le dimo' al Hennessy
No hicimo' un hijo pero casi casi (Casi, casi)
Y sabes que nadie te lo hace así
Después de prender es que te llevo al éxtasis
Ese culote parece de Brazil
Pero es de PR, 'ta to' Gucci, 'ta to' fancy

Lu-lu
De rookie los mato, baby, como Kyle Kuz
Exclusiva como las Yeezy Boost
Cuando me manda los nudes
Parece una estrella porno en su debut

Yo sé que en la oscuridad yo soy tu luz
Pero entiende que yo vivo en la movie flow Hollywood
Antes mi cielo era gris, pero ahora es baby blue

Pa' comernos no hay escu
Penetrandote me siento Tiger Woods, yeah

Baby, let me feel your body
Flexing like Tom Brady
When I hit you doggy
I've been thinkin' lately
That when you're around me
You twerk it like magic
In my Amiris 200 (Huh, yeah)
