

# BIG DUMMY!

Lil Nas X

Dreamboy

It's Dreamboy in the place to be  
All the hoes wanna ri-ri-ride on me (Brrr-baow)

Bitch, I'm in my prime like a paintbrush  
Big shit poppin', walkin' 'round in a mink vest  
Whoop-whoop, talkin', ain't tryna hear the stank breath  
Bitch, shut the fuck up, unless she's got a big chef for me  
The hi-hat, yeah, keep that for me  
Toot, bring the drums, and you know you gotta loop that for me  
I'ma send this to the group chat  
They gon' be like, "Who's that?"  
I'ma be like, "Big X, dummy," now y'all know I'm comin'  
This year, I'm finna tie the rope  
Put a ring around this bitch like I'm drawin' O  
Tic-tac-toe, line my exes up in a row  
One for each night of the week in the Sherman Oaks  
I'm do or die, I'm far from what they like  
My past is dark, my ass is super tight  
I'm cute, I'm fun, I'm fine, my future bright  
My house is full like 9 on Nick at Nite

In the club, in the cut, cuttin' up (Uh-huh)  
Gettin' drunk while I'm pickin' out my pick-me  
All my opps and my simps gettin' low (Uh-huh)  
'Cause they want, but they know they can't get me  
Oh (Woah, brrr-baow)  
Yes, it's true (Woah, brrr-baow)

They got me fucked up with all this shit fell off talk  
Y'all finna get this heat all 2025

Fuck nigga

Alex, what the fuck these niggas talkin' 'bout?  
We on ten like a nigga doin' walk it out  
I would rather see that nigga dead than to talk it out  
Feds did a sweep on his ass, we gon' mop it out  
Front door, niggas come through to the front door  
Bangin' on his top like bongos  
Shootin' at his spot like cum loads  
Two sticks on him, mm-hmm, that's a drumroll  
I'm back, I don't know what y'all figured  
I'm still that bitch, I'm still that nigga  
I been workin' on X, I ain't even on Twitter  
Now my money and my house, and my meat a little bigger, uh

In the club, in the cut, cuttin' up (Uh-huh)  
Gettin' drunk while I'm pickin' out my pick-me  
All my opps and my simps gettin' low (Uh-huh)  
'Cause they want, but they know they can't get me  
Oh (Woah, brrr-baow)  
Yes, it's true (Woah, brrr-baow)
