

LIGHT AGAIN!

Lil Nas X

Two in, two up
Back ends, booked up
Look up, I'm flying
Yeah, I'm free now, see now
Society's tie on me released now
Fuck crazy, I'm finna go senile
Big style (Uh-huh), big deals (Uh-huh)
Vitamin water, that's a big one (Uh-huh)
Six mill' (Uh-huh)
Coach came to me like I'm D1 (Uh-huh)
Like Will (Uh-huh)
Got seventeen hours 'til the flight out
Only got time for a night out, uh

So, tell me what you want from me
We ain't gettin' no younger
So, tell me what you want from me
We ain't got too long no

You know I gotta catch my flight
You know I gotta reach new heights again
You know we run it up at night
You know we only get one life for this
Yeah, yeah

We gon' fuck up the night
Fuck up the night, yeah
Fuck up the night
What a hell of a night (You know)
Fuck up the night
Fuck up the night, yeah
Fuck up the night
What a hell of a life (You know)

Ok, let's-a go
I'm delivered like the text went through
J. Cole said it's memes and mills
But I'm the king and the jester, though
Niggas really wanna wipe me down
I got more patience than a hospital
Swear these niggas rather beef with me
They never beef with life's obstacles
I'm bad as a bitch with a bone out
I'm way too toned to be toned down
My dick too big, so I'm cocky
Hit 'em from the back while on Twitter with my phone out
Got an M&M deal but I'm Hershey
6'2" dark skin nigga with a purpose
Left a voicemail on my phone last night to myself
Saying, "Lil' nigga, you deserve this", yuh

You know I gotta catch my flight
You know I gotta reach new heights again
You know we run it up at night
You know we only get one life for this
Yeah, yeah

We gon' fuck up the night
Fuck up the night, yeah
Fuck up the night
What a hell of a night (You know)
Fuck up the night
Fuck up the night, yeah
Fuck up the night
What a hell of a life (You know)

Brrt, we gon' fuck, fuck, f-fuck up the night
Bring your friends and release your cunt (Day-day)
We gon' fuck, fuck, f-fuck up the night
Brrt, cunt (You know)
Tadada, tadada, cunt
Kakaka, kakaka, cunt (Day-day)
Tadada, badada, cunt
Brrt, cunt

Younger, younger, youn-younger
We ain't gettin' no younger
Younger, youn-younger, younger
(Y'know-oh)
Younger, younger, youn-younger
We ain't gettin' no younger
Younger, younger, younger
