

another song

Lil Peep

I remember when you used to hold me close and say you love me
Now you actin like a ghost and that's okay, I know I'm ugly
Now I'm swervin' in the ghost and I'm okay I'm gettin' money
Now I'm switchin' up the coast, get out my way I stop for nothin'
Give me some time and give me your patience
Came in the game last one month, fuck the game, I'm done
Give me a sign and I'm gonna take it
Whatever way I want
Bitch, I get paid up front
I'm gettin' mine, so fuck all your placements
Babyface, I'm done
Fuck the place I'm from
Don't hit my line and say somethin' basic
If it ain't about the money
Please don't waste no time
Lookin' out the edge, and I'm picturin' the fall 'cause
I don't want to break my legs and have to carry on
If I carry on I'm gon' need some marijuana
Put it in my bong, then I make another song
