

# Ballin'

Lil Peep

Yeah, ayy  
Life gets hard so I gotta go hard  
And I gotta go all in, baby if you ballin'  
Then we ballin', baby, quit callin'  
I ain't with the drama, I'ma stop talkin'

Life gets hard so I gotta go hard  
And I gotta go all in, baby if you ballin'  
Then we ballin', baby, quit callin'  
I ain't with the drama, I'ma stop talkin'  
Life gets hard so I gotta go hard  
And I gotta go all in, baby if you ballin'  
Then we ballin', baby, quit callin'  
I ain't with the drama, I'ma stop talkin'

Stop talkin', baby, stop walkin'  
You could leave me, I'm not stalkin'  
You hurt me, tryin' to desert me  
I stayed here, tryna show I'm worthy  
Baby what it do, I'm so in love with you  
But you gon' stunt on me, I ain't tryna front on me  
Said you need me, then you gon' leave me  
Too many lies always deceive me

Life gets hard so I gotta go hard  
And I gotta go all in, baby if you ballin'  
Then we ballin', baby, quit callin'  
I ain't with the drama, I'ma stop talkin'  
Life gets hard so I gotta go hard  
And I gotta go all in, baby if you ballin'  
Then we ballin', baby, quit callin'  
I ain't with the drama, I'ma stop talkin'

Not talkin', I've been making big bucks  
You'd know that, but you don't give a fuck  
So we're here, tryna show no fear  
Go smoke a little, you could get high here  
I'm drinkin', fuck is you thinkin'  
Turn your lights off, baby you're blinkin'  
I'm blinding, out here grindin'  
See me in the sun, out here shinin'

Life gets hard so I gotta go hard  
And I gotta go all in, baby if you ballin'  
Then we ballin', baby, quit callin'  
I ain't with the drama, I'ma stop talkin'  
Life gets hard so I gotta go hard  
And I gotta go all in, baby if you ballin'  
Then we ballin', baby, quit callin'  
I ain't with the drama, I'ma stop talkin'
