

# Every Weekend

Lil Peep

Every weekend, every fucking weekend  
Yeah, yeah, yeah, yeah, yeah  
Every weekend, every fucking weekend  
Yah, yah, yaaah

Yah, I'm geeking off them bars  
Oh my god, oh my god, I might withdraw, oh my god  
Oh my god, what is god? Fuck god, I am god  
Let me rock, let me rock, oh my god, I'm geeking off them bars  
Oh my god, oh my god, I might withdraw, oh my god  
Oh my god, what is god? Fuck god  
Let me rock, let me rock, let me rock, oh my god  
Oh my god, I might withdraw, yeah I'm geeking off them bars  
Oh my god

I've been geeking every fucking weekend  
I've been tweaking while my blood seeping  
Deeper and deeper, now my bitch leaking  
She got demons, I got lots of demons  
(Demons) Oh my god  
I've been geeking every fucking weekend  
I've been tweaking while my blood seeping  
Deeper and deeper, now my bitch leaking  
She got demons, I got lots of demons

I've been OD'ing every fucking weekend, damn  
I've been OD'ing every fucking weekend  
I've been doing Xanny bars and heroin every day  
I've been fucking hoes in and out the state  
They gon' fuck me, love me, swallowing the semen  
I've been dreaming, I've been dreaming, I've been dreaming  
Slug Christ slugging, fuck the police  
Slug Christ drugging, all my girls be worried  
Fuck a bitch, don't need it  
In love with dope, I need it  
I don't fuck with existence so I think that I'ma leave this shit behind  
But just for tonight  
Unless I do too much and die tonight  
Fuckboy gonna say I glorify (stupid)  
Use me as example but this ain't no life  
You wanna live, I'm fucking lit  
Slugga always been day one with the shits  
Shout out all my Awful brothers, sisters, damn  
Miss y'all, man, I love y'all, we gon' be rich, fuck the world  
Fuck the world  
Pressed as fuck but at least I'm racked up

Every weekend, every fucking weekend

Geek geeking all night, no sleeping  
Skeet skeeting on that bitch, taste my semen, yeah  
Started bleeding out my nose, now she screaming  
I'm about to overdose, still fiending

I've been OD'ing every fucking weekend  
Yung Lil Slugga, Yung Lil Peepee  
I like to chill alone but I complain 'bout being lonely

I'ma fucking idiot, yo hating ass ain't gotta tell me  
Stupid bitch, leave that shit alone, I already know I'ma piece of shit
