Fishscale

Lil Peep

Catch me in the stairway, ayy, ayy
Catch me in the, yeah, catch me in the, ayy
Catch me in the stairway, ayy, ayy
Wiped off all this fishscale, ayy, ayy
Catch me, you're a freezer mane, ayy, ayy
And you're crazy callin' us freaks, ayy, ayy
Maxed out with your main hoe, ayy, ayy
Geekin' off the best dope, ayy, ayy
I'm just sittin' in the hallway
I'm just sittin' in the hallway
I'm just sittin' in the hallway
I'm just sittin' in the hallway

Girl, wipe off all that fishscale
When they get me, won't you pay my bail
Bitch, I get it in the fuckin' mail
Like my bitches thick, but I'm so frail
If I counted all the blunts I smoked
If I counted all the hearts I broke
If you've doubted I'ma make you choke
On your words for free
I don't come with a fee, not me, not me
Catch me in the stairway
I'm on that, "I don't fuckin' care" wave
It's like three up in my time zone
It's like three up in my Styrofoam
(Now my mind gone)
