

Ghost Boy

Lil Peep

Leave me alone
Just leave alone
I'm growin' so tired of this
How do you fight the feelin'
How do you fight the feelin', bitch
She callin' my phone
She callin' my phone I put it on quiet quick
I ain't never gon' answer it
I ain't never gon' pick up my phone girl
I'm all on my own
I'm all on my own
I know you ain't high as this
Puttin' my mind to shit
Give me some time I be flyin' bitch
Breakin' my bones
You breakin' my bones you want me to line my wrist
I ain't gon' do it for you
I'm gon' do it for me, 'cause it help me forget
I ain't gon' do it for you
I'm gon' do it for me 'cause I'm tryna get rich
I ain't go put up no time
If you ain't got time if I ain't gon' bitch
I'm doin' my thing
And bitch I can see all the disrespect in front of my face
Step in this bitch let these hoes feel my drip
If you ain't smokin' on somethin' I'ma dip
Leave me alone
Just leave alone
I'm growin' so tired of this
How do you fight the feelin'
How do you fight the feelin', bitch
She callin' my phone
She callin' my phone I put it on quiet quick
I ain't never gon' answer it
I ain't never gon' pick up my phone girl
