

# Hate Me

Lil Peep

But I know I wanna take you, leave you alone ayy  
Hmmm Hello?

I don't really know where I'm tryna go but I know I wanna take  
you, yeah  
When I'm on the road and I leave you alone I just pray I don't  
break you, yeah  
I was on the phone within the other room not trying to wake you  
, yeah  
When I'm on my own I'll be sipping Patròn  
And I'll be trying to blame you, yeah

Now you calling me crazy, girl I know, (Girl I know)  
When you tell me you hate me, I know that you don't, (I know th  
at you don't)  
Now you calling me crazy, girl I know, (Girl I know)  
When you tell me you hate me, I know that you don't, (I know th  
at you don't)

I would give it all back for you right now, I can never forget  
you  
Run away from me, try to run away but I ain't gonna let you  
And I can hear my heartbeat sounding like the bass drop  
I said baby don't stall with the fucking and the make-ups, nah  
I'ma take the long way home  
Gotta couple hundred missed calls in my phone

Now you calling me crazy, girl I know, (Girl I know)  
When you tell me you hate me, I know that you don't, (I know th  
at you don't)  
Now you calling me crazy, girl I know, (Girl I know)  
When you tell me you hate me, I know that you don't, (I know th  
at you don't)

But when you tell me that you love me  
I put trust in you don't judge me  
I'm just going through some shit right now  
And I don't wanna let you down  
I don't wanna let you down  
No, I just wanna leave this town  
Sometimes I feel like everyone hates me

Now you calling me crazy, girl I know, (Girl I know)  
When you tell me you hate me, I know that you don't, (I know th  
at you don't)  
Now you calling me crazy, girl I know, (Girl I know)  
When you tell me you hate me, (I know that you don't)
