

Hocus Pocus

Lil Peep

Yeah, yeah
MoneyPosse
Oh, yeah
Just don't lose focus, no
Yeah, pay closer attention
Just don't lose focus, no
You need to, pay more attention

You got it all, yeah
Sittin' right in front of you, uh
They want to fall, yeah
To be, right on top of you
But don't lose focus, no
Don't lose focus, just, just don't lose focus
Hocus pocus, don't lose focus!
No, don't lose focus, I'm doing magic on 'em, huh!
Hocus pocus, yeah!

I see that red dragon fly Jeep, yeah
I pull through, y'all can ask Lil Peep, ayy (Lil)
Every other hater try to weep (Weep), yeah
Championship game, I'ma do a full sweep, huh!

I can't feel no pain, I'm insane, all my demons watch me
You don't know my name, that's my fame, I'll do magic, watch me
Look me in my brain, it's a shame, all these people want me
Want me out the way, say I'm gay, but they really want me
I say what I say, it's no way, you can't get around it
I don't have no lane, not the same, this my swag, I found it

Just don't lose focus, (don't lose focus) no
Yeah, (Hmm) pay closer attention (More attention)
Just don't lose focus (Just don't lose focus), no (No) (No!)
