

Let It Flow

Lil Peep

Why you talkin' like you never even seen me before?
Let me know, girl
You gotta let me go, if I wanna
You're such a lil' prima-donna
I won't take your offer
I'll be gone 'til the summer

Drugs got me numb
Think I'm goin' dumb (Goin' dumb)
I don't give a fuck, girl, I'm pouring some (Pouring some)
I'm pouring some (I'm pouring some)
I'm pouring some (I'm pouring some)
I'm pouring some (I'm pouring some)

Drugs got me numb
Think I'm goin' dumb (Goin' dumb)
I don't give a fuck, girl, I'm pouring some (Pouring some)
I'm pouring some (I'm pouring some)
I'm pouring some (I'm pouring some)

Drugs got me numb
Think I'm goin' dumb (Goin' dumb)
I don't give a fuck, girl, I'm pouring some (Pouring some)
I'm pouring some (I'm pouring some)
I'm pouring some (I'm pouring some)
I'm pouring some (I'm pouring some)

Drugs got me numb
Think I'm goin' dumb (Goin' dumb)
I don't give a fuck, girl, I'm pouring some (Pouring some)
I'm pouring some (I'm pouring some)
I'm pouring some (I'm pouring some)
